in my letter No.217 dated 7-8-1934 that all these Third Class Travellers' Bungalows, except the one at Pavagada belong to Government and that unless the District Board can produce unequivocal records to show that they were built out of their funds, they must all be considered to be Government buildings only. As regards Musafirkhanas, the presumption may be in favour of the Board unless any of these are mentioned ---- definitely in the Printed Building Registers of a period just prior to the formation of the District Fund Circles. I am requesting the Executive Engineers to see any information could be had from this aspect from their records.

For Chief Engineer of Mysore.

T.R.S.

Letter No.1659 dated the 21st March 1935 from the Superintending Engineer, Mysore Circle, Mysore, to the Chief Engineer of Mysore.

Third Class Travellers' Bungalows and MusafirKhanas in the Circle.

With reference to your letter No.3511 dated 3-10-1934, I have the honour to submit herewith a consolidated list of Travellers' Bungalows and MusafirKhanas in the Circle.

2. On the basis of Government Order No.1c042-33/L.B.69-97 dated 13-5-1903 copy submitted with this office No.68 dated 19-7-1934, the Executive Engineer, Mysore Division suggests that all the buildings belong to the District Board: but it is at best a surmise. In that Government Order all the District Fund Inspection Lodges were converted into third class Travellers' Bungalows, but it is an open question whether the District Fund Lodges might not have been constructed out of State Funds only and transferred as such when the Board Circles were constituted. In fact unless the Boards can establish clearly that any of these constructions were undertaken from their funds subsequent to the formation of District Fund Boards the presumption as regards ownership should be in favour of Government only. The claim of the Bangalore District Board President that all these buildings belong to them cannot be accepted.

3. The District Board President of the Kolar District seem to think that all the third class Travellers' Bungalows except for the few alterations and improvements recently made by the Board belongs to the Government. The MusafirKhanas said to have been built about 1910 under Maramat agency seem to be from District Fund, as the Maramat Offices were attached to the Revenue Department.

In the case of the most of the buildings in the Tumkur Division, the Executive Engineer remarks that references are not available. Pavagada Travellers' Bungalow was recently constructed and so belongs to the District Board.

4. Under the above circumstances, I may reiterate the view urged

List of III class Travellers' Bangalows and Musafirkhanas under the Control of the ~~Deputy Commissioner~~ Dt Bd in ~~the State~~, with remarks as to their ownership.
